

Brillion Historical Society

110 N. Frances Street

Brillion, WI 54110

June 30, 2010

Dear Fellow Historians

The City of Brillion is celebrating their 125th anniversary as a great community in which to live, learn, work and play. The Fire Department, Athletic Association and Historical Society have joined forces to create a wonderful festival with Brillion's history being a focal point.

We have seized this opportunity to "show off" in as many ways as possible. There will be a 40 x 100 tent full of displays and artifacts that are certain to bring back memories and intrigue those who have never seen some of the items. A horse and wagon ride will transport visitors on a route through the City highlighting landmarks of historical interest with narrative on the changes over the years. History House has received much attention over the past months with a new coat of paint and trim on the outside. The second floor of History House has been closed for a number of years as repairs have been made. The time for a **Grand Reopening** has come and we are delighted with the result. The Museum as well is undergoing changes.

The wagon ride continues on to the Ariens Museum where you can learn about the growth of one of Brillion's leading manufacturers. As an added bonus, a Quilt Show from Brillion's Scrap Angel Quilt Club is also taking place in the Ariens Museum. From there the wagon will bring you back to Peters Park where there is entertainment for the whole family.

Please accept our invitation to join The Brillion Historical Society on July 31, 2010, Peters Park from 10:00 a.m. to 5:00 p.m. At 5:00 we will tuck our historical treasures safely back in the museum, and other entertainment and events will continue into the evening hours.

Warmest regards

Brillion Historical Society

Linda Moehr, President

(Peters Park is located on Glenview Avenue which is just off Highway 10 at the Dairy Queen)
